CAPTAIN'S REMARKS

"Dogs feel very strongly that they should always go with you in the car, in case the need should arise for them to bark violently at nothing right in your ear."

Dave Barry

Please plan to attend the Park Station Community Meeting/Gala scheduled for August 13, 2013 at 6:00 p.m. A great deal of important information will be provided and we will have a fascinating guest speaker. Mouth watering refreshments described by Betty Crocker as "epicurean delights" will be provided, and heirloom quality door prizes for which I have spared no expense will be raffled off. Bring a friend!
